

Agenda

House Appropriations Committee June 29, 2015 Room 140, Main Capitol

Bill Number	Prime Sponsor	Amendments	Topic
1. House Bill 1161	Harhart		House Bill 1161 amends the Board of Vehicles Act to clarify that a licensed salesperson who is employed by a dealer who has an ownership share in more than one dealership, may sell at each of those dealerships regardless of the percentage of ownership.
2. House Bill 1205	Dunbar		House Bill 1205 creates the Results First Act to provide the Independent Fiscal Office (IFO) with legal authority to obtain data from other Commonwealth agencies for use in analyzing the effectiveness of current government programs.
3. House Bill 1275	O'Neill		House Bill 1275 amends the Dental Law to allow dentists from other states and countries to take clinical continuing education courses at PA dental schools, and allow dentists from other countries to obtain restricted faculty licenses authorizing them to teach in PA dental schools.
4. Senate Bill 330	Ward		Senate Bill 330 amends Title 18 (Crimes Code) and Title 53 (Municipalities Generally) to provide for failure to comply with a code requirement.
5. Senate Bill 687	Browne		Senate Bill 687 amends Title 68 (Real and Personal Property) to clarify that the creation of planned communities out of existing land or facilities will not require municipal approval unless and until new structures or buildings are constructed within the community.
6. Senate Bill 688	Browne		Senate Bill 688 amends Title 68 (Real and Personal Property) to clarify that the creation of condominiums out of existing land or facilities will not require municipal approval unless and until new structures or buildings are constructed within the association.
